Role Overview

Eva's seeks a purpose-driven, highly collaborative, and experienced team member to serve as our next Manager of Development Operations. This role will work with Eva's Development team to define high-quality, efficient, and effective processes and procedures for handling all gifts and donations.

Reporting to the Director of Development and as an integral part of a Development team, the Manager will contribute to the department's overall fundraising strategy, assist in plan delivery, and ensure the goals are met through the department's day-to-day operations.

The Manager will pay particular attention to Eva's donor relations, gift processing, and RE NXT Database management needs. The Manager will use strategic acumen, proactive communications, and strong interpersonal skills to build trusting and productive relationships that support fundraising success. This role fulfills a variety of key duties relating to Eva's Development Operations, including but not limited to providing exceptional donor support, database, and pipeline reporting, making regular process improvements, and swiftly solving problems to meet the needs of internal and external stakeholders.

The Manager will lead, encourage, and contribute to an enthusiastic culture of philanthropy within Eva's.
